

# Which Gum Flavor Lasts the Longest?

Arsema  
5/27/2021

Have you ever wondered why gum is good for your mental health and

Some of the ingredients in chewing gum include gum base, flavorings and colorings, preservatives, sweeteners, and softeners.

The first thing I did was get all my gums. I got all the gums I had 5 gums. The gums I chewed are Juicy Fruit, Winter Freeze, Ice Cubes, Extra, and Big Red. I put each gum in my mouth right when the time started. I wrote down the time in my science composition notebook. Then I repeated this producer for each of the different types of gums.
